

# **Liberty vs Legalism**

Written in the summer of 2002  
by  
Preston Laughinghouse

## Liberty

I was glad when they said let's  
go to the house of the Lord

Go ye "into all the world" and  
and preach the gospel

God forgive me for I have sinned

Do what ever you do to glorify  
the Lord

Love covers a multitude of sins

John saw a great multitude that  
could not be numbered

Peter denied the Lord three times  
and repented

Three thousand were added to  
the church in one day

Greater things than these miracles  
ye will do

Give with a cheerful heart

Make a joyful noise unto the Lord

Faith as small as a mustard seed  
can move mountains

Accepts other versions than KJV

I am the way the truth and the life

## Legalism

Forsake not to assemble  
yourselves together

Come out from among them  
and be ye separate

Thank God we are not as the  
people in the world

Dust off your shoes if they do  
not receive the world

Repent of your sins or perish

Narrow is the gate and few  
that find it

If you are ashamed of me, I  
will be ashamed of you  
before the father

Where two or three are  
gathered together I will be in  
your midst

Miracles are for the time of  
the apostles

Bring your tithe and offering  
to the store house

Do all things in decency and  
in order

Faith with out works is dead

Accepts only KJV

God be the truth and every  
man a liar

Ye with out sin cast the first stone

Your rod and staff comfort me

Ye though I walk through the  
valley of the shadow of death  
I will fear no evil

Blessed is the man whose sin the  
Lord will not count against him

Let not your heart be trouble

All things are lawful

We know we have passed from  
from death to life

Rightly divide the word of God

I count all lost except for Jesus

My sheep here my voice and  
They know me and follow me

Restore unto me the joy of my  
salvation

We are justified by faith

Nothing can separate us from the  
love of God

As for me and my house we will  
serve the Lord

Love the Lord with all your heart  
and all your soul

Lord you have the words of life  
there is no one else to turn to

Do not cast your pearls  
before swine

Whom he loves he chases

The fear of God is the  
beginning of knowledge

The wages of sin is death

The heart is deceitful and  
wicked, who can know it?

Abstain from the appearance  
of evil

There is a way that seems  
right, but the end is death

The word is a two edge  
sword

A prophet has no honor in his  
hometown

All men are like sheep who  
have gone astray

With out holiness no one can  
see God

Faith without works is dead

Be sure, your sins will find  
you out

Choose ye this day whom  
you will serve

No one can serve two masters

Have no other Gods before  
me
